that's how you spell it.

Q. Do you know what Mr. Kuntz' job title at

Vivint was at the time that he approached your door?

BY MR. EBLEN:

Q. So, at -- at that point in time in your

25 mind, did you believe that the gentleman at the door was

23

24

Page 14 Page 16

- A. As far as I know, he was a representative
- 2 for -- for Vivint, a salesperson.
- 3 Q. And so after -- and -- and describe what
- 4 happened after Mr. Kuntz told you that Vivint had bought
- out CPI; what happened after that?
- A. Well, they -- they came into my house --
- well, basically he told me -- the -- the guy who came
- 8 into my house took up all the equipment. Let me back
- 9 up.

1

- 10 Curtis said that they had -- they were
- 11 going around all over the neighborhood and hooking up
- Vivint equipment and switching out from CPI to Vivint.
- 13 So when the guy came into my house, he
- 14 took -- I asked him, I said, "So how many other houses
- 15 have you done," and he said, "You are our first one,"
- 16 and this is like 2 o'clock in the afternoon and, anyway,
- 17 they had to put new holes in my house. From -- from
- 18 where CPI had holes, they put new holes in my house.
- 19 They took down the CPI camera and cut the wires, so I
- 20 couldn't even use the camera that I'd paid CPI something
- 21 like a hundred -- I think \$150 for. I couldn't use the
- 22 camera no more because they cut it up and some of the
- 23 wiring, they -- in the house, they messed up a little
- 24 bit, and it was just a nightmare with those people, a
- 25 nightmare.

1

- 1 interrupt, Ms. Ward. Let me just get my objection on
- 2 the record and proper foundation. Calls for a
- 3 hypothetical and speculation.
- 4 BY MR. EBLEN:
- Q. If Mr. Kuntz had been honest about his
- 6 intentions when he approached your door, would you have
- listened to his sales pitch?
- A. No. 8
- MR. HERBERT: Same objection.
- 10 BY MR. EBLEN:
 - Would you have let him in your home? O.
- 12 A. No.

11

14

- 13
 - A. He didn't come in my house anyway. I
- 15 wouldn't let him in.
- 16 Q. Would --
- 17 A. They were out -- they stayed outside the
- 18 whole time. I wouldn't let him in my -- he wanted to
- 19 come in my house, but I told -- I told him, no, you
- going to have to do this on the outside, so no -- no, 20
- 21 the answer to that question, no.
- 22 Q. Did you have any intention of changing
- 23 alarm providers the day that Mr. Kuntz --
- 24 A. No.
- 25 Q. All right. So we're at the point you've

Page 15

- Q. It sounds like Mr. Kuntz also told you
- that Vivint had changed out a bunch of CPI customers in
- 3 your neighborhood, and did I hear that?
- 4 A. Yes, he --
- 5 MR. HERBERT: Object to the form.
- 6 BY MR. EBLEN:
- 7 Q. And did you find out whether or not that
- 8 was true?
- 9 A. No, I didn't. The only thing the -- the
- 10 guy that was in my house hooking up the equipment told
- 11 me, but the -- the monitoring box that CPI had put up,
- 12 Vivant took down and they even broke that. They even
- 13 broke that, so when CPI came in to re-hook up all my
- 14 equipment, they had to put in all brand new stuff. I
- 15 couldn't even reuse my original CPI stuff.
- 16 Q. All right. So to back up a little bit.
- 17 At the point in time when Mr. Kuntz approaches your door
- 18 with a no solicitation sign, had he been honest from the
- get-go and said I'm a competitor here, I want to try to
- 20 sell you a better alarm system, would you even have
- 21 listened to his sales pitch?
- 22 MR. HERBERT: Let me object to the form of
- 23 the question.
- 24 A. No.
- 25 MR. HERBERT: Pardon. I'm sorry to

- 1 describe pretty much all of your old equipment. What
- 2 happened to it?
- 3 A. It was -- he -- they tore it up. When --
- 4 when he took -- when he unhooked the CPI equipment and
- hooked up the Vivint equipment, it was a -- pretty much
- a -- the same exact monitor that -- that they -- they
- 7 had in my house, he -- he broke it. He -- and the --
- when the guy came out to -- the CPI guy came out to put
- in my -- put -- re-hook back up my equipment, he
- 10 couldn't use it. They had to throw it away.
- 11 Q. All right. Fast-forwarding a little bit -
- 12 well, actually, let -- let me -- I'm -- I'm going to
- go ahead and show you a document on the screen in front
- 14 of you, so just give me a second here.
- 15 (PLF/DFT. EXH. 1, System Purchase Service
- 16 Agreement, 6/26/2020, marked for identification)
- 17 Q. Okay. Can you see that document okay?
- 18 A. Oh, yeah. I can't read it, but I can see
- 19 it.
- 20 Q. All right. We'll treat this as Exhibit 1.
- 21 Do you see the top left-hand corner of the document?
- Does it say "Vivint" in the upper left-hand corner?
- 23 A. Yes.
- 24 Q. And I'll -- I'll blow it up a little bit
- 25 so we can see it a little bit better.

- 1 A. Yes, sir.
- 2 Q. -- (technical interruption)?
- 3 Yes, sir.
- 4 When you executed this document that we'll
- call Exhibit 1, the Vivint Contract, did you do that,
- like, on a tablet or some sort of a computer device?
- 7 A. To be honest, I never got this form that
- 8 you're showing me now. I never got that phone, but I
- 9 have a little bitty teeny-weeny piece of paper form and
- 10 the -- the one -- the form before this one, I -- I never
- 11 got that form.
- 12 O. So the document that we've just been
- 13 discussing, is that a document that you ever saw before
- 14 today?
- 15 A. I must have because apparently my
- 16 signature is there so but....
- 17 Q. Did you place the signature on this
- document or did Mr. Kuntz? 18
- 19 MR. HERBERT: Object to the form.
- 20 A. I think I did sign that.
- 21 BY MR. EBLEN:
- 22 Q. Do you recall on what format he signed it,
- whether it was a computer or a -- like a tablet,
- something like that?
- 25 A. I think -- I think he had a tablet, a -- a

- 1 -- Vivint and I said, "Hey, I want to cancel out of this
- 2 contract. I'm within my time period," and they said,
- "No, you can't -- you can't -- you're too late, you
- 4 can't do it." So they wouldn't let me -- they -- the
- guy wouldn't let me cancel out. But what I think he did
- do, he -- on the -- that \$24 a month, I think he lowered
- the payment or something. Something -- he lowered the
- payment or something. I'm trying to remember, but I
- think he lowered the payment, and so I went on for,
- 10 what, I can't remember how long, and then I called -- I
- guess the following week, I talked to CPI and then CPI -11
- 12 - that's when I found out CPI said that Vivint had not
- 13 bought out CPI.
- 14 MR. HERBERT: And, I'm sorry to interrupt,
- 15 but let me interpose an objection and move to strike as
- 16 (indiscernible) not responsive to the question, but go
- 17 ahead.
- 18 BY MR. EBLEN:
- 19 O. So we'll -- we'll break this down a little
- 20 bit. You described what you would call within a couple
- 21 of days, you reached out to Vivint --
- 22 A. Right.
- 23 -- is that right?
 - A. Well, part of the -- part of the time
- 25 period that I had to cancel was over the weekend, over a

Page 23

24

- 1 Saturday and a Sunday, which Vivint is not open. So I
 - 2 had to -- you know, when I called that -- I think it was
 - 3 that following Monday, that's when they told me I
 - couldn't -- I couldn't get out of the contract.
 - Q. Right. And at the time that you spoke to
 - Vivint, as I understood your testimony, did you still
 - think that Vivint had bought out CPI?
 - 8 MR. HERBERT: Object to the form.
 - 9 A. No.
 - 10 MR. HERBERT: Object to the form.
 - 11 A. No.
 - 12 BY MR. EBLEN:
 - 13 When did you realize that -- that --
 - 14 Well, let me back up. Let me -- I
 - 15 misunderstood that question.
 - 16 Q. Sure.
 - 17 A. Yes, I did think that until I talked to
 - the CPI guy, the person -- the representatives at CPI,
 - 19 up until that point, I did think that Vivint had bought
 - 20 out CPI, and I didn't -- I didn't know the whole truth
 - 21 until I talked to the -- the representative at CPI.
 - 22 Q. Okay. So your first call with Vivint, did
 - 23 you have any success canceling your contract?
 - 24 A. No.
 - All right. And so then you called CPI.

1 metal thing with -- with the form on it. I think that's

- what he had.
- 3
- Q. What did you understand about your right 4 to cancel this contract?
- A. On the -- on the form I have, it says I
- 6 have three days and I called within two days, and they
- 7 told me I couldn't but, apparently, from CPI, Shelley,
- 8 told me that I had -- I think she said I had 30 days, 9 but I had called within two days and they told me I
- 10 could not cancel. I'd have to pay the three-three or
- 11 twenty-four hundred dollars to get out of it.
- 12 Q. Okay. So let's stop right there. We've
- 13 gone through the contract. At -- at what point in time
- 14 did you realize that you -- in agreeing to this Vivint
- 15 contract did you realize that Vivint and CPI were still
- 16 separate companies?

17

- A. I didn't. I -- I hadn't -- found that out
- 18 yet. I just called within two days because I didn't
- 19 like Vivint. I didn't like the company. I didn't like
- 20 the videos. I didn't like anything about the company.
- 21 It just -- every -- every -- the video clips, you
- 22 couldn't delete. In one certain part on my cellphone,
- you couldn't delete them and it was just -- you know,
- 24 they just kept clocking up and clocking up and clocking 25 up and I couldn't delete them, and so I called up Vivint

25

Page 25

Page 26 Page 28

- 1 Do you know what day you called CPI?
- 2 A. It was probably around -- it was that
- 3 following Monday after the -- after the -- I think I
- 4 signed the contract on the 26th, so I think it was that
- 5 following Monday.
- 6 Q. And tell us what you learned from your 7 call with CPI?
- 8 A. That they did not sell out to Vivint.
- 9 Q. All right. And -- and --
- 10 A. And that --
- 11 Q. -- at that point -- did you want to keep
- 12 your Vivint contract at that point?
- 13 A. No, I did not. I mean, I did not. I was
- 14 -- I was crying. I was upset. I was talking to the CPI
- 15 guy, and I was just really upset because I -- I said I
- 16 can't -- I thought to myself, I cannot afford 23-2400 to
- 17 get out of this contract, and I did not want to stay in
- 18 that contract. I wanted out of that contract, because I
- 19 realized they -- you know, they had told me so many lies
- 20 that, you know, I just -- I just wanted out of the
- 21 contract.
- Q. What steps did you take from there to try
- 23 to get out of the Vivint contract?
- A. On, talking to CPI lots of times, calling
- 25 Vivint up and the problem is, is when you call Vivint

- 1 It was like -- they were -- they were
- 2 nice. Everybody was nice. I didn't have a problem in
- 3 that area, but it was like, you know, you -- you're
- 4 talking to them, but the speaker's not on, you know, so
- 5 to speak, you know.
- 6 Q. Did you feel sort of like you were getting 7 the runaround?
- 8 MR. HERBERT: Object to the form.
- 9 A. Oh, yes, definitely, the run around. I
- 10 mean, they -- they -- that's -- that's -- I think that's
- 11 the game they play with you. They send you around and
- 12 around in a circle and hoping you'd just get tired of
- 13 fooling with them and, you know, won't call them no
- 14 more, and I just had a Hell of a -- a heck of a time
- 15 trying to -- trying to deal with them.
- 16 Q. How many times would you estimate you
- 17 called Vivint trying to get --
- 18 A. At --

19

24

1

- Q. -- contact?
- 20 A. At least -- I don't know, at least three
- 21 or four times a week.
- Q. Four how many weeks?
- A. Three months. Three months.
 - Q. So maybe 30 to 40 times, just kind of
- 25 running some loose math?

Page 27

- 1 up, if -- if they do answer the phone, they put you on
- 2 hold and you -- you know, then -- well, they answer the
- 3 phone and then you tell them your problem, and then they
- 4 put you on hold and you wait on hold forever and ever
- 5 and a day, and it just -- it was just -- it was just a
- 6 long process to try -- just to try to get through. I
- 7 mean, I was on the phone with Vivint or trying to get on
- 8 the phone with Vivint just about every day and, at one
- 9 point, you'd -- I'd call and they'd put me on hold and
- 10 they'd play this loud music, and then the music would
- 11 drop down, and then they'd play loud music again, the
- 12 music would lower and, finally, you just hang up the
- 13 phone because you got aggravated. You'd get aggravated,
- 14 and it was just a long, hard process to try to get out
- 15 of the contract.
- Q. And when you did finally get a hold of
- 17 somebody on the phone from Vivint, were they helpful in
- 18 trying to help you get out of the --
- 19 A. Well, they seemed to be helpful. They --
- 20 they -- they -- they -- they listened to me and,
- 21 you know, the -- but then they'd turn around and put me
- 22 on hold, and the somebody else would get on the phone,
- and I'd have to tell them the same thing I just told the other person, and it was just a -- a long process to try
- 25 to just to get through and get through to those people.

- Page 29 A. Mm-hmm. Yeah. I don't -- I don't have a
- 2 calculator on me but, yes, about -- I'd say about that
- 3 time, you know, about that much or it may be more, you
- 4 know.
- 5 Q. How much time would you estimate between
- 6 talking to CPI and Vivint to try to rectify this whole
- 7 situation? How much time do you think you spent on
- 8 that?

9

17

- A. Well, between CPI -- Vivint and CPI, CPI
- 10 was -- was really trying to help me, and they put me
- 11 through to a guy by the name of David, and David hooked
- 12 me up with a girl by the -- a lady by the name of
- 13 Shelley and between CPI office and mostly David and
- 14 Shelley, I was able to -- to get everything swapped back
- 15 to CPI, but it took -- I think it took almost three to
- 16 four months before I could really get back to CPI.
 - Q. And --
- 18 A. It was a long, hard road.
- 19 Q. Yeah. In total, how much time -- you
- 20 know, and I know this is probably a rough estimate. But
- 21 if you'd give a rough estimate between all of your calls
- 22 to Vivint and all of your calls to CPI and any other
- 23 effort that you put into trying to get back to where you
- 24 were before Mr. Kuntz showed up, how much time do you
- 25 think you spent?

As a matter of fact, I 21 asking is, from the time that Mr. Kuntz showed up at 21 tried to call him after -- you know, after he left my 22 your door and you ended up with a Vivint system until house a day or two later, and I tried to call him 23 the time you went back to CPI, if you had to put an 23 numerous of times and the phone -- he -- he wouldn't 24 estimate on it, between all of the phone calls at CPI, 24 answer the phone. It took me a long time to get back to CPI, and it transaction with Vivint occurred Mr. Kuntz -- he wasn't 7 was very, very upsetting because their system is -just a sales representative, he was a sales manager who 8 wasn't like CPI's system and I mean, I could -- I could 8 also recruits and trains other salespeople, what would 9 understand CPI's system. - 24 Greg Herbert, and I would have just a couple of quick

- 1 isn't something that is inherently dishonest by itself?
- 2 If that was the only thing that -- that -- that happens,

- 5 A. If I put a no soliciting sign on my door,

- 10 Q. I understand that. And, Ms. Ward, will

- A. I don't know what CPI does or don't do.
- The only thing I know is what Vivint did and that was 17
- totally dishonest what he -- you know, whether he saw my 18
- 19 sign or not, it was totally dishonest for him to come to
- my door and tell me a lie, pointblank, out, you know. I
- don't know where -- where he got the audacity to show up
- at my door and tell me a lie like that. 22
- 23 Q. Ms. Ward, well, I need to just ask you one
 - -- another question about something you testified about.
- 25 You -- you testified that -- I believe you testified

Page 35

- 1 asked you about was that -- he asked you about your "No
- Solicitors" sign on the door. Let me ask you that.
- 3 Despite that sign and by pointing it out to the sales
- 4 representative you were just discussing, you did
- 5 continue to -- to speak with the Vivint sales
- representative and then, ultimately enter a contract;
- that's correct, isn't it?
- 8 A. Yes, sir.
- 9 Q. And is it your opinion that any sales
- 10 representatives that, you know, do knock on the door,
- 11 even though there is a no solicitation sign, that that
- 12 is something that is improper or dishonest by itself?
- 13 A. Could you repeat that, please?
- 14 Oh, I was saying is -- is it -- based on
- 15 your testimony, is it your opinion that simply the act
- 16 of knock -- for a sales representative to knock on
- 17 somebody's door and ask to speak with them, despite the
- 18 fact that there is a no solicitor sign on the door, is
- 19 -- is that something that you view as, by itself,
- 20 dishonest?

25

- 21 A. Well, I would assume that if you see a no
- 22 soliciting sign on someone's door, you will turn around
- and walk away and not keep knocking and ringing --
- 24 knocking on the door and ringing the doorbell.
 - Q. All right. But -- but that by itself

- 1 after you signed the contract with Vivint that the
- Vivint rep came in and -- and -- and broke your -- your
- 3 former CPI equipment in your house.
 - That's correct.
- O. Now, that was equipment that under the
- contract you signed was to be replaced with the new
- Vivint equipment, in any event, right, based on the
- contract you signed? You understood that, right?
- 9 A. No, I didn't understand that. I -- I --
- you know, when he took my CPI equipment off or -- I --
- off the wall of -- in my house, I didn't expect him to
- break it and when he took my camera down from the --
- from the outside of my house, I didn't expect him to cut
- the wires so I couldn't use the camera anymore. I
- didn't know he did that until Vivint, I mean, the CPI
- guy that came to -- he was going to re-hook back up the
- same camera and he says, "I can't do this because it's 17
- 18 -- they've cut the wires.
 - Q. All right. Well, let me ask you,
- 20 ultimately, CPI replaced that equipment that the Vivint
- 21 helpers installed in -- in your home, equipment?
- 22 A. Yes. They -- they put in their equipment,
- 23 Vivint equipment. Vivint monitoring box, which is
- basically the same thing CPI was/is and the camera is 25 pretty much the same camera, but I paid an additional --

10 (Pages 34 - 37)

Page 37

19

24

Page 38

7

1 up and above my contract with CPI, I paid an additional

- 2 $\,$ I think it was a \$150 for the -- for the camera that was
- 3 on the outside of my house that Vivint tore up, cut the
- 4 wires on it. I couldn't use it anymore. That was --
- 5 that was my camera. It wasn't CPI camera, it was my
- 6 camera.
- 7 Q. (indiscernible crosstalk)
- 8 A. I paid for it.
- 9 Q. My -- my question -- my question was
- 10 actually, ultimately, once you -- once you reinstated
- 11 your service with CPI or Vivint, they -- they -- they
- 12 came in and installed all new equipment so that you got
- 13 all equipment that you were satisfied with from CPI is
- 14 that --
- 15 A. Right. But I wouldn't have had to -- they
- 16 wouldn't have had to replace the camera if Vivint hadn't
- 17 have tore up the camera.
- 18 Q. Okay. I understand.
- 19 Let me change gears a little bit and ask
- 20 you about something that Mr. Eblen asked you about
- 21 earlier and that was a survey, a video survey that you
- 22 were asked to take at the -- prior to the installation
- 23 of the -- the Vivint equipment. When Mr. -- and Mr.
- 24 Eblen asked you if you -- if you remembered taking a --
- 25 a video survey or if the Vivint sales representative
 - Page 39
- 1 administered a video survey, and I believe you testified
- 2 that you don't -- you don't remember specifically; is
- 3 that right?
- 4 A. No, sir. I -- I could have, but I really
- 5 don't remember. I'm -- I'm sorry. I don't remember.
- Q. No. No problem at all. I -- I -- I
- 7 understand. Now, he referred to it as a video survey,
- 8 so it might be a little bit difficult to understand. I
- 9 think that you remember the Vivint sales representative
- 10 showing you something on his tablet or his device where
- 11 they asked you like a series of question and it said,
- 12 you know, there was a -- a microphone icon and it asked
- 13 you to tap that and you were asked certain questions and
- 14 then you answered them. Does that sound familiar or
- 15 does that refresh your memory?
- 16 A. It -- it could -- I -- to tell you the
- 17 truth, I just don't remember.
- 18 Q. Okay.
- 19 A. I mean, it was a long day that day.
- Q. I -- I understand.
- A. A long, hot day.
- 22 Q. I understand. If I represented to you
- 23 that that survey -- you did take that survey and in that
- 24 survey you did indicate that you understood that Vivint
- 25 and CPI were not affiliated companies, as you sit here

- 1 today, it sounds like you -- you can't remember one way
- 2 or another whether you said that, would that refresh
- 3 your recollection if I just represented that to you?
- 4 MR. EBLEN: Object to form and foundation.
- 5 It assumes facts. You may answer.
- 5 BY MR. HERBERT:
- Q. I can rephrase the question. It wasn't
- 8 probably not all that clear, and I apologize.
- 9 My question is if I represented to you
- 10 that you -- you did take a -- a video survey
- 11 administered by the -- by the Vivint sales rep --
- 12 A. I don't remember a video. I definitely do
- 3 not remember a video. Now, I -- I could have, but I
- 14 don't remember no video.
- 15 Q. Right. And you might have only seen a
- 16 tablet and -- and have been -- been asked questions that
- 17 you responded to. You might not have seen the video
- 18 camera or seen yourself on video, but you were asked
- 19 questions at the time of your interaction with the
- 20 Vivint sales rep presented and you answered several of
- 21 those questions and what I -- what I -- we can -- we can
- 22 play a clip from the video here in a minute, but I
- 23 wanted to say -- ask you does it refresh your
- 24 recollection if I represent to you that one of the
- 25 questions in that video survey was whether you
- Page 41
- 1 understood that Vivint was not affiliated with your
- 2 previous security company and -- and you answered that,
- 3 yes, you understood that. So does that refresh your
- 4 recollection?
- 5 A. No. The only thing I know is, is whatever
- 6 he told me in front of my house in front of my door that
- 7 Vivint was buying out CPI and whatever he said or is
- 8 written down or whatever, I know what he said. I know
- 9 what Mr. Curtis said that CPI -- Vivint was buying out
- 10 CPI.
- 11 Q. All right. Well, let me -- I'm just going
- 12 to play a little short clip for you of the video survey.
- 13 I'm going to share my screen so that should appear. It
- 14 might be a minute. This is the first time I've used
- 14 linght be a minute. This is the first time I ve used
- 15 this technology, so be patient with me because I'll wait
- 16 until Charlie clears out his screen.
- 17 MR. HERBERT: Do you want to stop sharing 18 your screen, Charlie?
- 19 MR. EBLEN: Yes, sir.
- 20 BY MR. HERBERT:
- Q. Okay. It might start playing right away
- 22 or it (indiscernible) some time. Let me back up. All
- 23 right. Ms. Ward, can you -- can you see the screen now.
- 24 It looks like a blue blank -- like a video player with a
- 25 little play button at the bottom, do you see that?

11 (Pages 38 - 41)

Page 42 Page 44 1 A. Yes, sir. 1 was asked in that video clip? 2 Q. So I'm going to play a video and ask you 2 A. I answered the question, but I may have 3 to -- to look at it and tell me if you -- if you

7

recognize the video. Okay. Give me one second.

5 (Video clip is played for the witness.)

6 Q. So, Ms. Ward, were you able to hear the -the audio component of that video clip?

A. I thought I heard my voice, yes.

All right. And did you see yourself?

10 A.

8

9

13

16

25

11 Q. Okay. I'm sorry. Hold on one second. I guess I didn't do this right.

(Video clip is played for the witness.)

14 Q. Give me one second. Let me 15 (indiscernible).

> Okay. I see -- I see a picture of me. A.

17 Q. All right. I apologize for that. I'm 18 going to -- I'm going to start this over and play it

19 again. Okay. All right. So you -- you -- this -- now

20 this is a still frame from the beginning of the clip

21 that I want to play and you -- you can -- do you

22 recognize that as a -- as a still frame of the -- a

23 picture of yourself there?

24 A. Yes, sir.

All right. I'm going to play it and let

not answered the question knowing what I know now.

4 Okay. Hold on one second. I don't think

I -- I don't think I'll have any other questions. Just

give me one little break. Ms. Ward?

A. Sir?

8 Q. Yeah. Just -- just one quick follow-up

question. You recall that your prior contract with CPI

10 was also a contract for 60 months, that the term of the

11 contract was a 60-month or five-year period?

12 A. Probably. I -- I don't remember that 13 either but....

14 Okay. So if I represented to you that --Q. 15 that the original contract you did sign with CPI back in

2015 was a -- was a 60-month contract, you don't have

17 any --

19

22

2

18 A. Yeah.

-- reason to disagree with me, is that

20 fair enough?

21 I'm -- I'm not disagreeing with you, no.

Okay.

23 MR. HERBERT: No further -- I think those

24 are all the questions I have subject to I might have

some follow-up if Mr. Eblen has any follow-up. Thank

Page 43

1 me know if you can hear it, okay?

2 (Video is played for the witness.)

3 Q. Okay. So, Ms. Ward, did you -- did that

4 refresh your recollection about some questions that you

were asked on -- on the day of the -- you entered into 5

the contract with Vivint? 7 A. That kind of, sort of, was but you -- I --

8 you're still talking a long time ago, I mean, as far as

my -- my memory goes, I mean.

10 Q. But that was -- that was you in the video,

11 correct?

12 A. That was me.

Q. All right. And -- and you understood the

14 question that was asked of you in that video when you

answered it yes? 15

16 A. Maybe I didn't understand the question

17 because the only thing I know is Mr. Curtis told me

Vivint was buying out CPI. That's the only thing I know 18

19

20 Q. All right.

A. -- so whatever he -- he -- they -- that --

22 that video you just showed says, it's not what Curtis

23 said.

24 Q. I -- I understand, but you're not --

25 you're not disputing that you answered the question that

1 you for your time.

THE WITNESS: Thank you.

3 **EXAMINATION**

BY MR. EBLEN:

5 Q. Yeah. Just a couple of questions, Ms.

Ward. Regardless of whatever was asked to you on that

7 tablet survey, did you expect somebody who was coming to

8 your door to be honest with you about whom they

9 represent?

10 A. Well, I would -- I would have thought so

11 but, you know, it's like, you know, you -- you expect

12 people to be honest but sometimes, they're not, and Mr.

Curtis Kuntz was not honest with me from the get-go. I

mean, there were several lies he -- he just told me and,

I mean, the -- the main reason I switched over from CPI

to Vivint is because he told me he was -- they were

buying out CPI. That's the main -- I wouldn't have -- I

wouldn't have even -- I had no interest in switching 18

19 security companies until he told me that.

20 Q. When he told you that at the time, did you 21 trust him?

22 A. I guess at that point I did because he --

23 he mentioned he had a wife and he showed me a picture of

24 his baby, his newborn -- his new baby and, you know,

25 told me so -- showed me pictures of supposedly
